Dear Mr. Patten:

By official proclamation County Judge William Thrasher has designated June 3rd as "MARION O. HAGAN DAY" for the citizens of Hamilton County.

We are seeking to pay tribute to Mr. Hagan, who for twenty-five years has labored unceasingly, without thought of his own convenience or comfort, for the welfare and happiness of the boys and girls who have made Bonny Oaks School their home.

It would make him very happy and would please us to have you visit the School and attend the reception given in his honor on Sunday, June 3rd, 2 - 4 P.M. There will be a short service in Bachman Chapel at 2:30 P.M., if you care to attend.

Help us make this a memorial day for this great man!

Cordially yours,
Malcolm M. Adamson,
Superintendent
