

# The Band Played and Children Sang at a Party at Bonny Oaks

A rip-snorting, jam-up, group singing and band playing party was held at Bonny Oaks School gymnasium Friday night for some 225 children of Bonny Oaks and Children's Home.

The event, which was declared a huge success by Malcolm Adamson, Bonny Oaks su-

perintendent, was sponsored by Ernest Holmes of Ernest Holmes Wrecker Band, an amateur group which is composed of persons who enjoy playing brass music. It is one of the few amateur bands in the county.

Harry Green, director, said that 35 band members were on hand to play for the children. Numerous selections were played during the 3-hour party, including Christmas carols. The children, filled with ice cream, popcorn, cakes, cookies, candy, soft drinks and corn chips, sang lustily.

The gym was decorated with big Christmas bells and colorful trim. In 1953, Holmes, who was then president of the Chattanooga Flyers Club, took Bonny Oaks children on plane rides over the city as a party treat.
